June started out great with Visitor’s Weekend. We had a great attendance. The “D” Dock Cabana Party was a huge hit. We Christened 6 boats and 1 boathouse. Thanks to all the Board for their hard work planning and working this event. Visitor’s weekend was a success in that all the uncovered slips have now been rented. We now have 6 new memberships. See next page for names and a picture. I would like to welcome all the new members to our great club.

Umatilla Yacht Club is having a nautical swap meet June 14th, 9-3. It will be in the grassy area at the marina as you are heading to the boat ramp. Come join in if you have anything to sell or buy.

The indoor and outdoor fire place are now complete and look spectacular. I want to thank all the members that donated money for the indoor fireplace in memory of their loved ones and a special thanks to Steve Sigler and his crew for overseeing the project.

I would like to thank Jolene and Mike Grimes and all their helpers for their hard work on the outdoor fireplace plus everyone that purchased a tile.

I want to thank Sharon Nustad for sewing the old burgee flags and Steve Sigler for fixing the Dishwasher.

If you received a boathouse inspection letter with issues noted please respond to the Board with a list of repairs done so they can be marked off.

New 15lb ice bags have been ordered and will be provided for members to fill up the ice bags.

It was brought to the Boards attention that sometime during visitor’s weekend several boathouse’s electricity on “C” Dock was turned off. It may be a good idea to place a lock on your panel box.

Be sure to RSVP to the Beach Party at the Richland Yacht Club and the Umatilla Cruise. Flyers are at the end of this newsletter.

As a reminder again, please be sure to get your insurance policies for your boat and/or boathouse to the club so we can keep them on record.

Happy Boating.....Dan

Please welcome our new members from left to right, Mike Lauman, Brian Achenbach, Ken & Lee Lacey, Guy & Cindy Steen, and Lee & Terri Morris , voted in at the June 2014 general membership meeting. (not pictured, Tina Lauman and Connie Achenbach.

A few reminders:

Members are responsible for security around the club, if you see anyone you don't recognize, introduce yourself and find out who they are. Do not loan out your keys to anyone, guests are allowed on the docks only when you are present, you are responsible for your guests.

If the dumpster is full, DO NOT stack garbage in front of the dumpster, the garbage driver will not move it and it just gets spread all around the dumpster area creating a big mess. If you find the dumpster is full please take your trash to the dumpster near the boat ramp.

Please keep your dogs on a leash at all times around the club and on the docks. Also please clean up after your pet.

Please use the metal, heavy duty dock carts (located in the haul out) for any construction materials or debris. The fiberglass and plastic dock carts are not meant for the heavy construction use. Please clean out any debris from the carts after you use them. Remember to return the carts to the top of the ramp immediately after using them.

## Sunshine Report By Genie Sigler
