Board of Directors

Commodore	Larry Kuga
Vice Commodore	Jolene Grimes
Secretary	Mark Cope
Entertainment	Dave Chojnacki
Building and Grounds	Jeff Lomax
Docks	Kent McCue
Past Commodore	Dan Bunn

Although we saw a bit of a cooling trend in late August, September always seems to be the most beautiful month of the year. Make sure to enjoy the remaining boating time this season and we still have plenty of activities planned for the rest of the year. As usual, the Pizza Pigout was a wonderful time! Pulling it off each year is a big effort by many people, but I give special thanks to the Grimes, Bunns, Hammers and Stacks for being there each year to handle the “Devil in the Details!” Although a bit windy, the weather was nice and everyone seemed to enjoy relaxing in the water while jamming to the beats of the band.

The Fall Fishhook Cruise is quickly coming up. We were up at the park over the Labor Day weekend and the place is in great shape. They even replaced the severely warped grates on the BBQ grills so cookouts will be nice this time. I also understand we have plenty of wood for our ceremonial campfires each night.

The 2015 CIYC Board of Directors is looking for 2016 Nominees to serve on the Board. This is your chance to have an impact on the direction of the Club. Any member in good standing for at least two years is eligible to serve on the Board. Please contact me, Jim Sarpolus, or Dave Chojnacki if you are interest in running. The new Board will be voted in at the November General Membership meeting.

Beginning this year, in addition to submitting copies of your insurance policies, you will need to submit copies of your boat registration for any vessel moored in the water at the Club. The new Derelict Vessel State Law has directed us to collect that information each year. Please drop them off at the office or email at ciyc@cloverislandyachtclub.com.

The Board has decided to not submit another shoreline permit this year. There is still time to finish boathouse upgrades under the current permit but we will not be automatically submitting for them anymore due to a substantial fee increase recently implemented.

Always Summer...
Larry

COVERED MOORAGE OWNERS

Charter Internet will be installed on all docks at CIYC and should be up and running by the end of the calendar year. Because hard lines cannot be run to boats, a wireless system will be placed in CM for those slip owners. The initial cost will be taken from the CM bank account on behalf of all CM members. Boathouse owners will have internet through wired lines **and** those who elect to have internet will have a one time hook up charge. The monthly cost for Charter Internet will be paid as part of the CIYC's utilities rather than by individual members.!

CIYC FOR SALE BOARD

Cal and Mary Coie have put up a for sale board outside the clubhouse. If you would like to sell your boat/boathouse please contact them and they will make the changes to the board.
